OVERVIEW

Full Stack Developer with professional experience working on **multiple client projects** across e-commerce, SaaS, and landing page domains. Delivered production-ready applications using **Next.js, React, Tailwind CSS, GSAP, and Framer** with a strong focus on performance, smooth animations, and pixel-perfect UI. Hands-on expertise in **Shopify Liquid** customization, scroll-based interactions, and full-stack development with **Node.js, MongoDB, and NextAuth**. Comfortable taking projects from design handoff to live deployment on **Vercel and Netlify**.

SKILLS

Languages: Python, JavaScript, C, C++

Frontend: HTML, CSS, React Js, Next Js, Tailwind CSS, Framer, GSAP

Backend: Node Js, Express Js, MongoDB, MySQL

CMS & E-commerce: Shopify, Shopify Liquid Code

Tools & Deployment: Git, Figma, Vercel, Netlify, Jira, Agile Development

EXPERIENCE

WOK Media LLC

Mar. 2026 – Apr. 2026

Web Developer

Jaipur, India

- Worked on **multiple client projects** simultaneously, delivering responsive and performant web apps using **Next.js and Tailwind CSS** from Figma design handoffs.
- Engineered immersive scroll-based experiences with **GSAP, ScrollTrigger, and smooth-scrolling** libraries, significantly improving user engagement across landing pages.
- Developed and customized **Shopify storefronts** using Liquid code – built dynamic sections, modified themes, and integrated third-party apps for multiple e-commerce clients.
- Created high-fidelity, animated UI components and marketing pages using **Framer**; deployed all projects on **Vercel and Netlify** with proper CI/CD configurations.

VertexPlus Technologies Pvt. Ltd.

Jun. 2025 – Aug. 2025

Frontend Development Trainee

Jaipur, India

- Trained in frontend development using **HTML5, CSS3, JavaScript, and React.js**; built mini-projects to strengthen component-based architecture skills.
- Worked with **Bootstrap and Tailwind CSS** to create clean, reusable layouts and gained hands-on experience with React workflows, debugging, and deployment.

PROJECTS

Mystree Messages | [Next.js](#), [React](#), [NextAuth](#), [MongoDB](#), [Nodemailer](#), [Zod](#) | [GitHub](#)

- Full-stack anonymous messaging app with **NextAuth OTP-based verification**, session management, and secure auth flows.
- Integrated Nodemailer for email OTP delivery, Zod for schema-based form validation, and AI-powered message suggestions for enhanced UX.

Musicacade | [React](#), [Framer Motion](#), [Netlify](#) | [Preview](#)

- Interactive music-themed web app featuring smooth page transitions, scroll animations, and a fully responsive UI built with **Framer Motion**.
- Optimized bundle performance and deployed on Netlify with continuous deployment from GitHub.
